Title: "Juji-ka". Materials: Silver and gold Price: € 2300,00

In Japan we call the cross "Juji-ka".

"Juji" literally means the number ten and "ka" means pillar.

There is no Christian meaning to the word of "Juji-ka"; however, by a curious coincidence, the ten looks exactly like the form of the cross.

In Japan, we call the symbol of Christianity "the ten-shaped pillar"...
