

TUIJA HELENA MARKONSALO, FINLAND

Title: Limbo life Materials: textiles and imitation pearls Price € 1000,-

Limbo Life is a happy family portrait, but there is also a lot of fear. If people really want to understand these works and the connection between them, maybe the simplest way is to say that the inspirational picture is about a young, happy family, parents with their child, whereas jewellery is about fear of losing everything.
