Title: "I believe in you" Materials: gold, Price € 3610,00

I have made two wedding rings because wedding rings are a sign of faith, specifically faith in each other. The church often is a pivotal part of the wedding day, a tradition. Wedding rings are a traditional type of jewellery.

On the crosscut of my rings is the text "God zij met ons" (God be with us) This invocation was formerly to be found on the rim of a Dutch coin. It means: When God helps us nothing can go wrong. This is also a sign of faith.
